SUPPLEMENTARY INFORMATION: On June 26, 2017, (82 FR 28848), the FDIC requested comment for 60 days on a proposal to renew the information collections described below. No comments were received. The FDIC hereby gives notice of its plan to submit to OMB a request to approve the renewal of these collections, and again invites comment on this renewal.

Proposal to renew the following currently approved collections of information:

1. Title: Recordkeeping and Disclosure Requirements in Connection with Regulation M (Consumer Leasing).

OMB Number: 3064-0083.

Form Number: None.

Affected Public: State nonmember banks and state savings associations engaging in consumer leasing.

Burden Estimate:

	Type of Burden	Estimated Number of Respondents	Estimated Number of Responses	Estimated Time per Response	Frequency of Response	Total Annual Estimated Burden
Recordkeeping Requirements in Connection with Regulation M (Consumer Leasing)	Recordkeeping	52	100	0.375	On Occasion	1,950 hours
Third-Party Disclosure Requirements in Connection with Regulation M (Consumer Leasing)	Third-Party Disclosure	52	100	0.375	On Occasion	1,950 hours
TOTAL HOURLY BURDEN						3,900 hours

General Description of Collection: Regulation M (12 CFR 1013), issued by the Bureau of Consumer Financial Protection, implements the consumer leasing provisions of the Truth in Lending Act. Regulation M requires lessors of personal property to provide consumers with meaningful disclosures about the costs and terms of the leases for personal property. Lessors are required to retain evidence of compliance with Regulation M for twenty-four months.

There is no change in the method or substance of the collection. The overall reduction in burden hours is a result of (1) economic fluctuation and (2) an updated estimate (based on historical information) of state nonmember banks and state savings associations engaged in consumer leasing. In particular, the number of respondents has decreased while the hours per response remain the same.

2. Title: Covered Financial Company Asset Purchaser Eligibility Certification.

OMB Number: 3064-0194.

Form Number: Covered Financial Company Asset Sales Purchaser Eligibility Certification - 7300/10.

Affected Public: Any individual or entity that is a potential purchaser of assets from (1) the FDIC as receiver for a Covered Financial Company (“CFC”); or (2) a bridge financial company (“BFC”) which requires the approval of the FDIC, as receiver for the predecessor CFC and as the sole shareholder of the BFC (e.g., the BFC’s sale of a significant business line).

Burden Estimate:

	Type of Burden	Estimated Number of Respondents	Estimated Number of Responses	Estimated Time per Response	Frequency of Response	Total Annual Estimated Burden
Covered Financial Company Asset Sales Purchaser Eligibility Certification	Reporting	10	1	30 minutes	Annual	5 hours
TOTAL HOURLY BURDEN						5 hours

General Description of Collection: Assets held by the FDIC in the course of liquidating any covered financial company must not be sold to persons who contributed to the demise of a covered financial company in specified ways (e.g., individuals who profited or engaged in wrongdoing at the expense of the failed institution, or seriously mismanaged the failed institution). 12 CFR Part 380 requires prospective purchasers to complete and submit a Purchaser Eligibility Certification (“PEC”) to the FDIC. The PEC is a self-certification by a prospective purchaser that it does not fall into any of the categories of individuals or entities that are prohibited by statute or regulation from purchasing the assets of covered financial companies. The PEC will be required in connection with the sale of assets by the FDIC, as receiver for a CFC, or the sale of assets by a BFC which requires the approval of the FDIC, as receiver for the predecessor CFC and as the sole shareholder of the BFC.

There is no change in the method or substance of the collection. The number of respondents and the hours per response remain the same.

Request for Comment
